NOTES

- 1) The “Corkage Fee” practically allows you to bring your own beverages on board in any selection and quantity. We will store them in our refrigerators, ensuring they stay perfectly chilled for your enjoyment.
- 2) For the “Drink Packages,” we provide two main options: a Standard package and an Alcoholic package. Contact us to learn more and select the best fit for your needs.
- 3) For the Kayak and SUP, the rates are based on a weekly charge, while the e-Foil is charged per hour. Both our Kayaks and SUPs are inflatable.
- 4) After midnight, standard A/C is unavailable. During the day, standard A/C operation is not guaranteed but runs up to 6 hours. The overnight A/C service includes electric fans.
- 5) All collateral services, excluding island excursions and activities, must be pre-booked and pre-paid.
- 6) For optional excursions, tours, and activities, please contact us.
